MEZZANINES

If your application is automotive or industrial W.W. Cannon, Inc. has a space saving mezzanine solution for you.

- Increase your overhead space not your overhead. A mezzanine can be placed in the building you presently occupy avoiding moves or costly construction.
- Improve your company's efficiency, and bottom line, by working smarter. A W.W. Cannon Mezzanine significantly increases your manufacturing and storage capacity.

DECKS THAT WORK FOR

Corrugated roof deck & plywood, OSB or composite resin board.

Diamond Plate with corrugated roof deck.

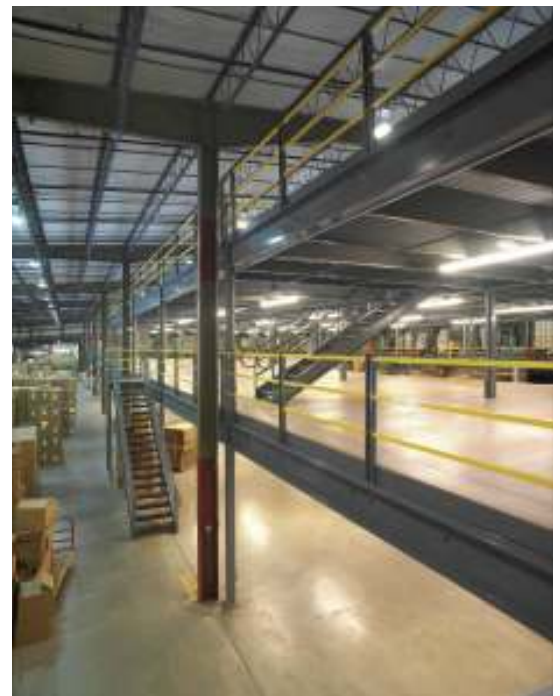

Open Steel Bar Grating
