

Cogan Rack Pal, Rack Post Protectors & Bollards

Protect your work space inside and out from collision damage with Cogan Rack Pals, Rack Post Protectors and Bollards.

Cogan's Rack-Pal is the smart choice when you need solid protection close to the ground. Easy-to-install and economical, its extremely durable, all-structural-steel construction is the perfect safeguard for your rack-aisle ends. The powder-coated, safety-yellow paint finish increases visibility and stands up to fork-lift traffic.

Our 4 1/2" diameter steel tube bollards are welded to 10" x 10" baseplates and painted with a durable, powder-coated, safety-yellow finish made to stand up to your traffic. If heavy-duty protection is what you need, we also offer an oversized 6" diameter bollard welded to a 12" x 12" base plate for extra security. Cogan bollards are in-stock and ready to ship.

You benefit from a safer working environment that protects your people, products and profits, eliminating costly repairs.
